Z wizytą w Alytusie

Marek Wysocki – Wicestarosta Piski wraz z Ireną Jatkowską – Przewodniczącą Rady Powiatu Pisz reprezentowali Starostwo Powiatowe w Pisz during the celebrations of the Lithuanian coronation of King Mindaugas. The coronation, which takes place on July 6, is a very important event among our Lithuanian neighbors, who celebrate this day as the day of Lithuanian statehood.

The visit to the partner region of Alytus, in which representatives of the municipalities of Biała Piska, Orzysz and Ruciane Nida also participated, was also an opportunity to congratulate the newly elected Mayor of the Alytus Region. The position in the current year was taken over by Mrs. Rasa Vitkauskienė. Powiat Piski, as indicated by Marek Wysocki – Wicestarosta Piski, cooperates with the partner region of Alytus since 2008. In this period, it was possible to jointly raise almost 8 million euros, which is a very significant effect, and it also proves that cooperation is simply profitable. The funds from European funds allowed both partner municipalities to realize many necessary investments for residents.

Marek Wysocki – Wicestarosta Piski also expresses hope that the very good cooperation of both partner municipalities will be continued in the future, which will undoubtedly bring many benefits to the local communities.
